

## MODERN SLAVERY AND HUMAN TRAFFICKING POLICY

Burren Precast Concrete Ltd T/a Carlow Concrete is a unique specialist precast producer and is committed to providing high quality precast concrete structures and components.

Burren Precast is committed to driving out acts of modern day slavery and human trafficking within its business and that from within its supply chains, including sub-contractors, and partners.

The Company acknowledges responsibility to the Modern Slavery Act 2015 and will ensure transparency within the organisation and with suppliers of goods and services to the organisation. These as well as the suppliers of services make up the supply chain within Burren Precast.

As part of the company's due diligence processes into slavery and human trafficking the supplier approval process will incorporate a review of the controls undertaken by the supplier.

Imported goods from sources from outside the UK and EU are potentially more at risk for slavery/human trafficking issues. The level of management control required for these sources will be continually monitored.

The company will not support or deal with any business knowingly involved in slavery or human trafficking.

We have in place systems to:

- Identify and assess potential risk areas in our supply chains.
- Mitigate the risk of slavery and human trafficking occurring in our supply chains.
- Monitor potential risk areas in our supply chains.
- Protect whistle blowers.

Top management shall take responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training, etc ) and investment to ensure that slavery and human trafficking is not taking place within the organisation and within its supply chains.
